In The Classroom

What's New In Your Child's Classroom ?

Cottage

The cottage children have been having a great time playing outside and joining the big kids for the visitors. The most enjoyable visitor for the cottage kids was Hot Dog On A Stick and getting to Make the Lemonade.

They also enjoyed petting all the farm animals when Twisted Creek Ranch came to visit with their "Petting Zoo".

If you haven't seen them look at all of the wonderful art projects the children have been working so hard on. The teacher have been doing a wonderful job with helping the children create master pieces.

Preschool

July has been so much fun & relaxing.

The summer weather is amazing. We have enjoyed being outside, playing on the Slip & Slide and playing with the bubbles.

We enjoyed our visitors this month but the most exciting had to be the magician, the kids laughed the entire time.

This week on Friday we are looking forward to eating Smores after an all week "Camp Out".
